

Week 6 18th August 2014

Roseville Girls

We were very fortunate to have ten year nine girls from Roseville College come last Friday to help the Primary students on the playground. This is the start of a program where these girls are going to come each Friday during lunch play and develop some play activities for our students. This time they met the students and trialled some activities such as bubbles and drawing with chalk. As you can see from the photos, many of the students were engaged with the support of these girls. We are very excited to have another relationship begin with a local school to enrich the learning of Cromehurst students.

Your school. Your community.

Welcome to week six.

A big well done to all our students for their cooperation at last Monday's school photo day. We managed to have a whole school photo taken in Nelson playground with all our students and staff. Students then had class photos and individual photos as per parent requests. The photo sessions ran very smoothly and the photographers were impressed by our students' ability to wait and cooperate. I am looking forward to seeing the results in the next couple of weeks. Thank you to parents for ensuring our students were in full school uniform and to all staff for the effort they put in to support the organisation of the day.

Unfortunately we did have to postpone our sports day last week. Although the rain had eased off the ground surface was too wet and slippery. We had aimed to have it tomorrow, August 19 but the weather over the last two days along with what is forecast for tomorrow has forced another postponement. We really hope to do it on the next fine Tuesday but will have to reassess as the day draws closer. A postponement notice has been sent home today.

Thank you to all the parents who have been able to attend program planning meetings with your child's class teacher. The meetings have been very positive in determining agreed individual goals and support strategies. We understand the difficulties for some parents in taking time from work and other commitments and appreciate your attendance. Your input is greatly valued and if you cannot physically attend one of these meetings please inform your child's teacher who will arrange a phone interview at a mutually convenient time.

Our P&C have organised a fundraising activity at Bunnings Chatswood on Saturday 30 August. They are encouraging our parents and family friends to come along and volunteer on the day and/or donate items for the cake stall. These events raise funds which enable our P&C to support our school in the cost of our school buses and the purchase of resources for our school programs. Please see the included notice in this newsletter for contact details if you are able to assist.

Cromehurst Sports Day Celebrations Cancelled 2014

Our Carnival of Colours sports carnival will not be on tomorrow-Tuesday 19th August, due to the weather. It is just too wet!

Please send your child to school in normal school uniform.

Thankyou

Melinda and Bec (sports co-ordinators)

Daffodil Day Friday 22nd August

This Friday is Daffodil Day and all students are asked to wear yellow and donate a gold coin to support the cancer council.

All students donating a gold coin will receive a thank-you key ring.
