

## Cromehurst News

Term 4 Week 7

16 NOVEMBER 2015

### Blue Class

REUSE, REDUCE and  
RECYCLE

#### Important Dates

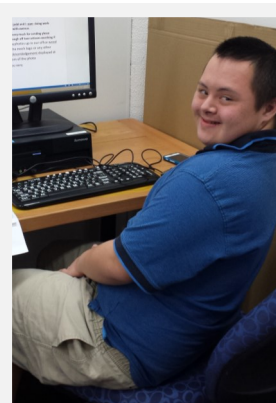

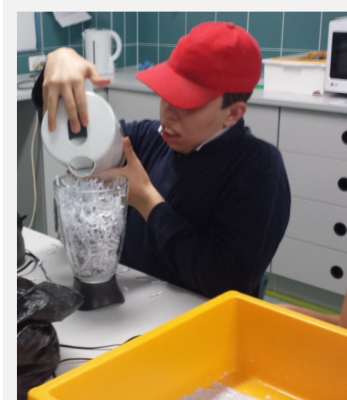

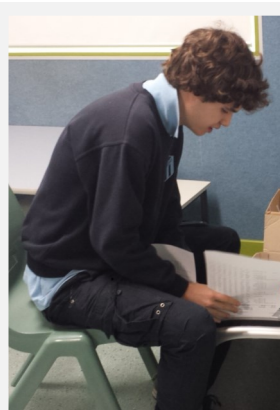

- 2nd Dec—Graduation & Secondary Awards Night
- 8th Dec—Variety Christmas Party
- 10th Dec—Christmas Concert
- 14th Dec—Primary Awards
- 16th Dec—Last day T4
- 16th Mar 2016—Charity Golf Day & Dinner

The Secondary Classes have been learning about waste and recycling. Through this term, we have visited SITA – the waste and recycling plant, looked at materials that can be recycled and made recycled paper! We shredded some paper and blended them in some water. Then we put them through some moulds and once they dry, we will be able to use them again!

James B, Jedd, Tom, Charleen and Aidan will be graduating in a few weeks. They have started their transition to post school places, exploring the new services and meeting new friends. We wish them all the best!

# Principal's Message

Welcome to week 7

It has been a very busy term and as we approach the downhill run to Christmas it promises to get even busier. As the weather gets increasingly hot I would like to remind parents to ensure their children have a hat and water bottle each day. Please apply sunscreen before school and we will reapply school sunscreen before play time. If you would prefer to send in personal sunscreen for your child please do so and let the class teacher know in the communication book.

Our feature class this week is Blue Class. This is our most senior class and five of them are graduating this year. They have all come a long way since they commenced at our school and we are very proud of their achievements. All of them are currently visiting and spending some time at possible or confirmed post school destinations but are still engaged in a range of activities at school to further enhance and develop their skills.

Last week students from Abbotsleigh Girls High School volunteered their time to assist in a Special Olympics morning with our Primary students. It was a fantastic session which students and staff from both school enjoyed immensely. We have had great support from both Roseville College and Abbotsleigh this year and hope to continue and extend the relationship in 2016.

We are about to commence the process to staff the additional class we have had established

for 2016 by merit selection. The establishment of this class will take our school to its maximum capacity although at this stage there are still a few vacancies for next year. In addition the tender for leasing of the pool has commenced and is currently being developed by Bridge Street for posting on the e-tender site.

We have some upcoming events for you to put in your diaries. Our year 12 Graduation and secondary awards dinner will be held on Wednesday, 2 December at Roseville Golf Club. The cost of this event has been kindly subsidised by our P&C for which we are very grateful. The Primary awards ceremony will be held at school on Monday 14 December and a note will be sent home next week with information regarding times and organisation. Our annual Christmas concert will be held this year on Thursday 10 December under our fabulous COLA from 12-1pm, it is always a wonderful feel good event and I hope all of our parents can make it.

Don't forget to save the date of 16 March for the 2016 golf day and fundraising dinner at Roseville Golf Club. The next meeting of the Golf Day planning committee is Tuesday, 24 November commencing at 6:30pm at Roseville Golf Club. Everyone is welcome to attend.

On a very scary note there are only 39 days to Christmas.

Regards.

Christine

# Special Olympics Carnival

This year the primary classes have been participating in Special Olympics every Friday from 9-11am.

Last Friday, 13 November, Joanne and Shanaya from Special Olympics organised a wonderful carnival at our school. They organised for 11 girls from Abbotseigh school with their teacher Belinda Robertson to come and run a sports carnival. They set up many activities – beanbag races, hurdles, basketball, soccerball skills, jumping in hoops. Every student at Cromehurst was able to have one on one support to participate in these activities.

Thank you so much to Abbotseigh school and Special Olympics for a wonderful carnival! Our students had a wonderful time!

Positive Behaviour Engaging Learners

Learn Together

Be Safe

Be Friendly

## Stars of the Week

To create a consistent whole school approach for safe and effective learning

This week our students of the week are:

Stevie — Be Friendly

Jodi — Be Friendly

# P&C

Dear Families, We had an incredible day for the first Annual "CGS" Cromehurst/ Giant Steps Ride. The weather was classic Southern highlands misty but about 30 riders pressed on to finish the ride. The riders were very engaging and extremely generous with their time. Most riders said they really look forward to coming back next year for such a fantastic cause. Even Gracie Elvin had a little dance with Jack. There was a lot of iPad exchanges going on between Jack and James with our volunteers Gemma and Kyla. A very special thank you for to The Moran family for coming out and cheering the stragglers over the finish and to Den and Mike Norton for all their local knowledge and pony rides for the kids.

We look forward to having more families involved next year. We will be in touch as the event gets closer! Please contact Jeremy Jnorton@aipx.com.au for more details.
