It has been a fantastic year in Rainbow Class with Jessica, Shuaib, Thomas, Elyace and Stevie. They have all grown so much this year and have made such gains in their learning. I want to thank Camille for being such an enthusiastic helper in our class with a ready smile and willingness to take on extra duties.

I would like to wish Camille, Elyace, Thomas and Stevie all the best in their new adventures as they leave our school at the end of this year.

Merry Christmas from Rainbow Class

Principal's Message

Welcome to week 10

As we move closer to the end of the school year we become very busy. This week we have our annual Christmas concert on Thursday, 10 December at 12.00 noon and all of our students are busy rehearsing their class items. It looks to be another fantastic Cromehurst event and I hope to see many of you on the day. Reports have been completed and are being printed today to be sent home within the next day or so. In addition, we are finalising our tentative classes for 2016 this Wednesday and we will be informing parents of their child's class and teacher later this week.

Last week we began capturing the footprints of our students for pavers in the sensory garden which is coming closer to completion. I realise this project has taken some time but those who gave their time free of charge needed to schedule their assistance around their work commitments. It is looking fantastic and will be a great asset to our school and a wonderful addition to our Kochia playground. It has been made possible by the goodwill and effort of a range of volunteers (including staff) with a special mention to Steven Goldring from Rotary whose effort was huge and much appreciated.

Our 2015 year 12 Graduation & Senior Awards ceremony was held last Wednesday evening at Roseville Golf Club. As usual it

was a very enjoyable evening and it was wonderful to see so many families attend to acknowledge our students' achievements. Events like these are a result of a huge amount of work and organisation by a committee of people and I am sure that those of you who attended would agree how successful and streamlined the event was. Thank you to all my staff who assisted in the planning and operation of the evening especially Janice Crocker and Yolanda Lui who are this year's stage 6 teachers and our wonderful office staff Mary Cox and Natalie Williams who did a lion's share of the administration for the evening. Roseville Golf Club are very supportive of our school for a range of events and recently included our school in a fundraising event which raised \$5,500 for our school to assist in the purchase of a PA sound system. We are very grateful to the club for its support and to the ladies Pro Am team who organised the evening.

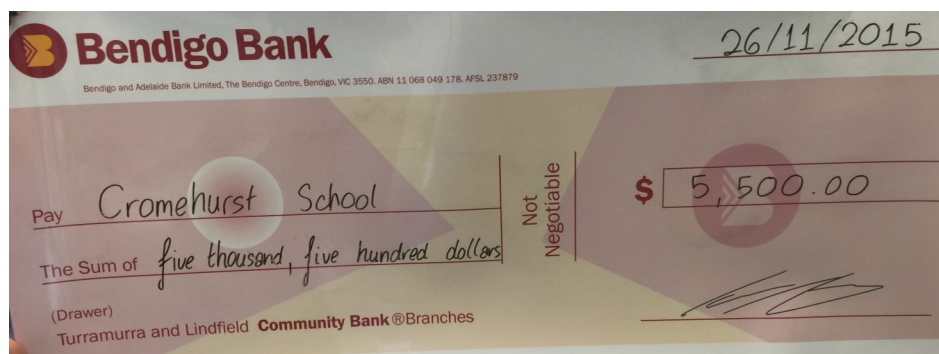

Speaking of fundraising, the hamburger chain "Grilled" at Chatswood has included Cromehurst as one of the organisations to receive support this December. Grilled is a healthy burger chain and each month it chooses three organisations to receive between \$100-300. Patrons are given a token each time they order and they choose which organisation they wish to support. This month

when families and friends are shopping at Chatswood and are thinking of lunch or dinner please consider the Chatswood Grilled store and place your token in the jar for Cromehurst.

A reminder that the last day for students is Wednesday, 16 December and school returns for students on 28 January. If you are planning events during the vacation which you think your child may find stressful please let your child's teacher know as they may be able to assist you to prepare your child to reduce their anxiety or stress.

Graduation

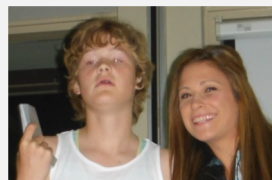

Last Wednesday evening, we held our annual Graduation & Secondary Awards Dinner at Roseville Golf Club. The evening was a great success — a wonderful time was had by all. Congratulations to all of the senior students who received awards on the night. Goodbye and good luck to our five graduating students who will be sorely missed at Cromehurst next year — Aidan, Charleen, James, Jedd and Tom.

Thank you to all of the parents and students who attended this special evening.

Our sensory/kitchen garden

One of our parents, Sandra, put in an application to Take 5 magazine, to donate the work of a tradie to help us in our kitchen/sensory garden. Take 5 kindly donated the money and our garden is now paved! On Wednesday, we created beautiful footprints to go in amongst these pavers. These will be a reminder of our place in the school for many years to come. We would like to thank Sandra for organising this, Take 5 magazine, Jozef the tradie, and Stephen Goldring, who came in to help out. Thank you!
