## Cromehurst News

### Yellow Class

This term Yellow class have been enjoying their Unit of Works on Weather and Seasons. We will be spending the last few weeks of term looking at Christmas around the world and will be comparing the different ways that people celebrate the festive season. We have been busy practising our Christmas item and we can't wait to share one of our favourite Christmas songs with everyone. This term has seen everyone working hard on their desk work. Our weekly walks around Lindfield and shopping visits to Harris Farm and IGA with Blue class have continued to be a highlight! Everyone has been trying their best to Be Safe, Learn Together and Be Friendly when we are out in the community. Yellow class thoroughly enjoyed setting up our class Christmas tree and making our Gingerbread house. We want to wish everyone a very Merry Christmas!

Rebecca, Camille and Dalia.

# Principal's Message

Welcome to week seven.

Thank you, thank you, thank you to the team of people but especially Rob and Jeanne Migliore and Karen Hickmott for the very successful fundraising event held last Thursday evening.

The inaugural Cromehurst Charity Night was a huge success last Thursday night and many thanks to Rob & Jeanne Migliore and Karen Hickmott for the amazing effort in creating and running this fantastic event. The complete result is still being finalised but we grossed well over \$100,000. Included in that figure was nearly \$10,000 in "wish-list" items for the school - items like software, bluetooth headphones, iPads, play equipment, books, equipment for a new sensory kitchen and a new washing machine. If you missed out you are still able to make donations and purchase any of the wish list items still left at [www.galabid.com/cromehurst](http://www.galabid.com/cromehurst).

Many thanks to Chris Adamo (a Cromehurst graduate) from The Balloon Crew for the donation of an amazing five metre balloon installation, Rivareno for their generous donation of delicious gelato, Nell Yeo for once again regaling us with her beautiful voice and all the families who came along, purchased an auction or wishlist item or made a donation and those that encouraged others to do the same - it truly is a remarkable result and has put us a lot closer to our goal of replacing our old school bus.

Don't forget to purchase your tickets to our Graduation and Secondary Social Event on 5 December held at the Roseville Golf Club. We must have your RSVP and money by Wednesday at the very latest.

The Christmas Concert invitation with the cover being a great artwork from Caelan, one of our talented senior students, is also attached to this newsletter. This event and the end of the year is fast approaching. We look forward to seeing you all for this celebration. Please let your class teacher know as soon as possible if your child will not be attending on this day as it will affect the class performance.

I have heard informally that some students may be finishing before the end of the year due to family trips overseas. Please let the office know as soon as possible if your child will be absent from school for this or other reasons. We will endeavour to get your child's end of year report to you before they finish for the year.

This year we are holding separate award ceremonies for primary and secondary achievements. Both ceremonies will be on 14 December – the Secondary in the morning and the Primary in the afternoon.

The executive are still placing students into class groups for 2019. As these may change if we have even a few more students placed in the last placement panel in week eight, we will have to wait until week

9 to send you the information as to which class your child will be in. As there may also be additional changes at the start of next year there may need to be further adjustments to classes. Please be assured that we attempt to look at the best learning situation for each student when placing students into classes.

Should you have any comments or questions about anything concerning your child or other school issues, please contact me or other executives and we will do our best to assist you while Christine is away.

# Communication at Cromehurst

Playing games encourages turn taking skills, sharing and social interaction. Every class has been participating in communication games in small groups of 3 to 4 students. They play Go Fish, Uno, Tell me a story sequencing, Pictionary, Shopping list, bingo – emotions, bingo – positional cards, guess who, throw the dice and say a sentence. All these games encourage students to interact using speech, visuals, signing, Proloquo2go. If you would like any visuals made at home to help with the school holidays please let me know.
