## Principal's Message

Welcome to week 8

It is hard to believe that there are only four more weeks left of the school year. Although we were all hoping that we would reach a point where school operations were no longer restricted before the end of the year it appears this will not be the case. The current restrictions will remain in place for the remainder of the year however it appears we will be able to offer some modified transition visits for our new students after 1 December and we will be able to conduct a graduation ceremony for our Year 12 students with COVID safe restrictions. We will be continuing the suspension of external providers until the end of the year due to the vulnerability of many of our students and the inability of our staff to maintain social distancing when supporting students, stagger drop off and pick up times as well as staggering playground use by cohort. This is to maintain as much as possible the safety of our school community to reduce major disruption to Christmas and vacation plans.

We have had some issues with the Assisted School Travel program recently regarding compliance with COVID safe guidelines. The guidelines during this time are as follows:

- All staff operating vehicles (Assisted Travel Support Officers and Drivers) are required to be fully vaccinated and wear a mask or face covering in and around vehicles at all times.
- It is mandatory for students aged 12 years and over to wear masks. However, wearing a mask may be unsuitable for some students or they may not be able to wear them for extended periods of time. The Public Health Order includes reasons why someone may be exempted from wearing a mask or face covering, such as intellectual disability, autism, trauma or skin conditions. These students will not be excluded from ASTP services for not wearing a mask or face covering.
- Vehicles will be adequately ventilated during runs and regularly sanitised.
- Parents and carers are also required to wear a mask around vehicles in order to minimise risk of transmission during student pick up and drop off. Parents and carers may access the same mask wearing exemptions as students.

### Inside this issue:

|                               |     |
|-------------------------------|-----|
| <i>Principal's Message</i>    | 1   |
| <i>Literacy at Cromehurst</i> | 2-4 |
| <i>General News</i>           | 5   |
| <i>Awards</i>                 | 5   |

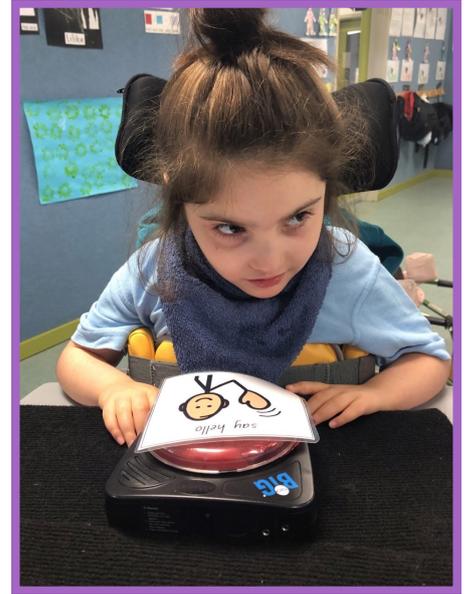

Can you please ensure when you load your children in the morning that the adults on the vehicle are wearing masks both in and out of the vehicle and you maintain where possible appropriate distance from ASTP staff and where not possible that you limit time in close proximity as much as you can.

This week we are focusing on literacy programs across the school. Literacy takes many different forms across the school depending on a range of factors, however it is taught explicitly to every student each day with adjusted learning tasks or their individual needs to enable the development of functional literacy skills. The photo gallery on the next few pages includes students involved in literacy lessons in each class and represents the diverse learning needs of all of our students.
