Principal's Message

Welcome to week 10, our final week of school for 2022.

Students will finish school this Friday 16 December and return to school on Tuesday 31 January 2023. The class report and the letter advising your child's 2023 class teacher were sent to you last week. This week you will receive a social story from your teacher to show your child the class they are going into, and who will be in their new class. Our final week is going to be a fun week celebrating the end of term. The primary will have a water fun day on Tuesday and the seniors will have a disco on Friday.

Given the poor weather earlier today, the Primary awards have been postponed to tomorrow at 1.45pm. They will celebrate the achievements of our primary students and farewell 4 students. We wish Aliya, Pranish, Sophia and Myra well in their new schools. The Senior awards are on Wednesday 14 December, celebrating the achievements of our senior students. On Friday the whole school will have a special farewell to our 6 senior students who are graduating. We wish Phillip, Ethan, Sam, Pulasthi, Sevene and Adam all the best in their next phase.

I would like to thank all of our staff. Everyone put in such an amazing effort towards the Christmas concert. What a lovely event it was. We were very proud of all our students. Thank you to all the parents and families who came to the Christmas concert last Thursday. It was such a lovely event where we could all come together again. Photos later in this newsletter show how much the students enjoyed the concert. Thank you to Aimee, Lani and all the support staff for the running of the Christmas concert.

Thank you to the P&C president Dusanka and the P&C committee members. It is a lovely parent body who come together monthly and on a volunteer basis to support all the students and staff at Cromehurst School. Dusanka has been our president since June 2021. A few of the many things she has organised to fundraise for our school are the Bunnings BBQ and the Mothers Day tea towels. And what a fantastic job she has done. The P&C have raised funds for new school resources such as 10 new iPads, 10 iPad covers, \$2000 worth of Proloquo2go licenses, 4 air purifiers and sponsorship money for the graduation dinner. Thank you Dusanka and thank you to all the parents for being so supportive of our school. We really appreciate it.

Principal's Message (continued)

Finally we would like to say a farewell to three of our dedicated teachers. Mike is retiring. He has worked at our school as a music and art teacher and a classroom teacher for 9 years. The students have learnt so much from Mike and have thoroughly enjoyed every lesson they have had with him. We wish you all the best Mike in your retirement from Cromehurst. Nicole has worked at our school for over 8 years. Nicole has been an amazing Assistant Principal and a wonderful teacher. She is very organised and our students have benefitted greatly from her expertise and knowledge. Nicole is going into a very exciting job with CESE. We wish you all the best Nicole in your new role. Suzanne is taking leave for a year. She is our transition teacher. She dedicates herself to helping our year 12 students find placements when they leave school. So thank you and we wish you all the best Suzanne.

I would like to thank all our families for their support this year. We wish you all a very lovely Christmas and a wonderful and restful holiday break.

Melinda

Pink Class

Pink Class has finished the year strongly with excellent engagement across their school and their transition program for those in their last year of school.

The Geography focus over the term has investigated the concept of belonging from a society and culture perspective for example what is belonging and where do we belong. We have both explored and visually represented this concept particularly in regard to their post school placement as relevant.

Pink Class has also been fantastically focused across their literacy learning and our ongoing class number maths program. This has been combined with investigating how numbers and symbols relate to our topic work like family. Each student has been determinedly working on their individual ITP goals for this semester too.

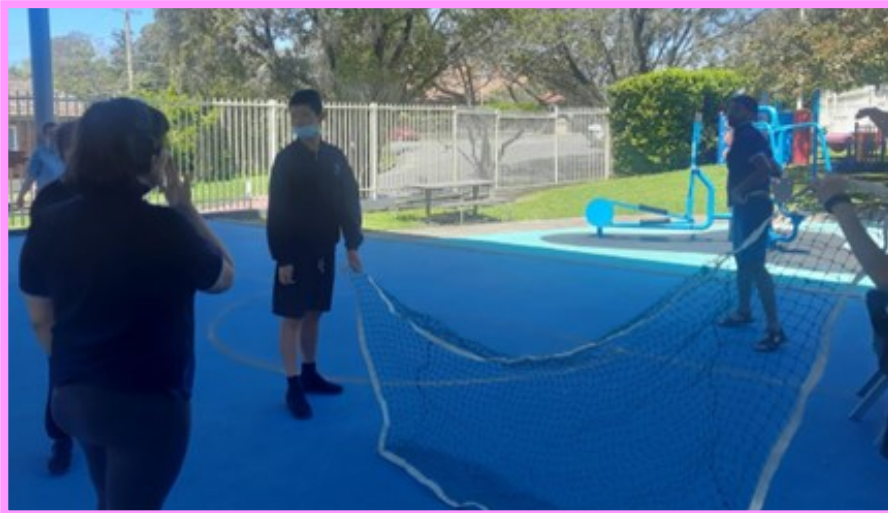

Please enjoy some photos of our PDHPE lessons where we have been learning volleyball as a team and including Sean, one of the students transitioning to Cromehurst for next year. Additionally, there are some Christmas cooking photos of our snowman pizza.

We thank our class families for all their support over the year and we wish our transitioning students every success in 2023. Merry Christmas to everyone!

Sarah, Bridget, Adam, Emily, Ethan, Philip, Pulasthi, Sam and Sevene
