- 6 April - Last day of Term 1
- 24 April - Staff Development Day
- 25 April - ANZAC Day Public Holiday
- 26 April - Students return for Term 2

Cromehurst News

Principal's Message

Welcome to week four.

Thank you to all parents who have already arranged or completed a meeting with their child's teacher to plan individual goals for this semester. We value your input in this process and know that the greatest gains occur for students when everyone works together. If you are yet to arrange a time with your child's teacher please make contact to do so. Meetings can be face to face, via zoom or by telephone as we understand that travelling to school for a face to face meeting is not always possible.

A reminder that our parent information evenings are this week. The primary evening will be Wednesday 15 February and the secondary will be Thursday 16 February. Both evenings will be from 5:15pm-6:30pm and we hope to see as many of our parents there as possible. These evenings are a great way to hear about the programs for this year, meet your child's teacher and connect with other parents. Unfortunately due to an injury I will be unable to attend however my outstanding Assistant Principals will coordinate the evening in their usual seamless way.

Families of students in years 7 and 10 will have received an email/letter on Friday 10 February in relation to the NSW School Vaccination Program. This year consent for the vaccinations has moved online. A copy of the letter has been included later in this newsletter with all of the links necessary to provide consent.

Inside this issue:

<i>Principal's Message</i>	1-2
<i>Blue Class</i>	3-4
<i>General News</i>	5
<i>Awards</i>	6
<i>Notes</i>	7
<i>What's On</i>	8-9

I have included a save the date flyer for the Northern Sydney Expo for people with a disability which is being held on Thursday 4 May from 11am-5pm at the Concourse in Chatswood.

Stall holders will include service providers for:

- Youth Employment Assistance (previously called SLES)
- Social and Community Participation
- Support Coordination Plan Management
- Disability Employment Services (DES)
- Australian Disability Enterprise (ADE)

Principal's Message (continued)

- Education
- Apprenticeships and Traineeships
- The National Disability Insurance Scheme (NDIS)
- Services Australia.

This is an opportunity to meet service providers and to become familiar with services in order to make informed decisions of what will meet your child's needs following the end of their school years.

Finally, parents of students in years 3, 5, 7 and 9 would have received information regarding the National Assessment Program (NAPLAN) which from this year will be held in March. This test assesses student performance against expectations for neurotypical students in mainstream schools. I have tentatively informed the authority that our students will be exempted under the category of disability however I need signed parental permission for this to occur. Please return the signed consent form for exemption of NAPLAN testing sent to you recently and if you have misplaced it contact the school. If you have any questions regarding this or wish your child to sit this test please call me at school on 9416 9281.

Christine

Blue Class

Blue Class warmly welcome you back to 2023! All the students in Blue Class have started the year strongly and are settling in to their new school routine. We have even celebrated an 18th birthday of a student in our class already, Daniel! Sadly we have also farewelled one of our class members, Stephanie.

The HSIE/Geography focus over the term is Built Wonders Of The World where the students will investigate, locate and manually recreate key monuments around the world and their basic history. Through visual reminders and targeted information our class will learn some key information related to these important landmarks and compare and contrast their features.

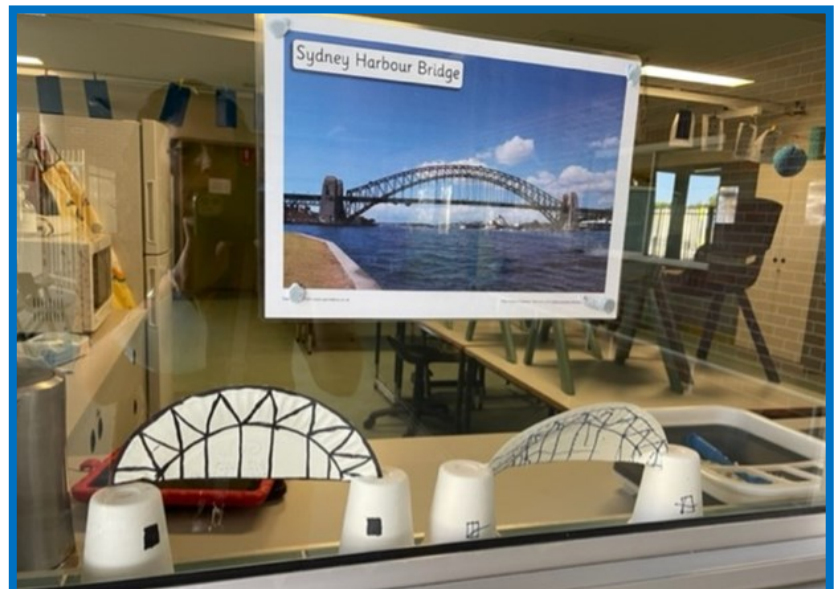

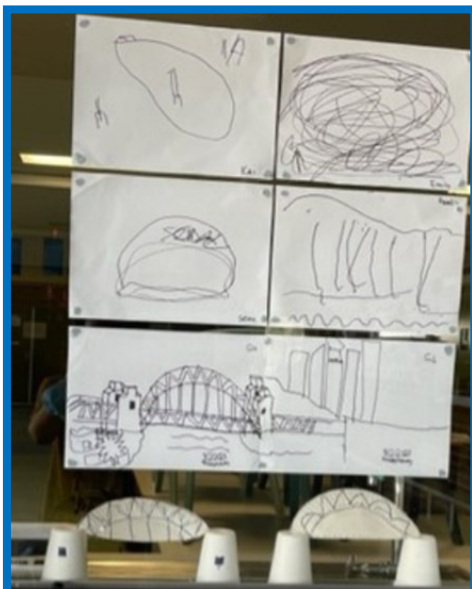

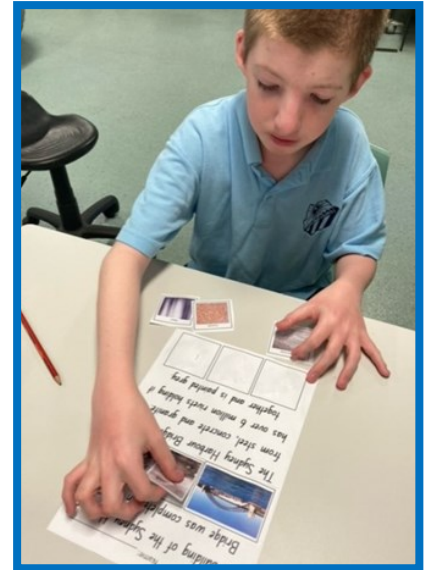

Last Thursday the students began our senior Thursday workskills program with opportunities to contribute to maintaining with care the main school areas and also to utilise our Lyons' link workroom. We have also begun practising the necessary skills for our canteen program this year.

Additionally, in the classroom all members of Blue have also been constructively contributing and engaging in their class number maths program which they will build on over the term.

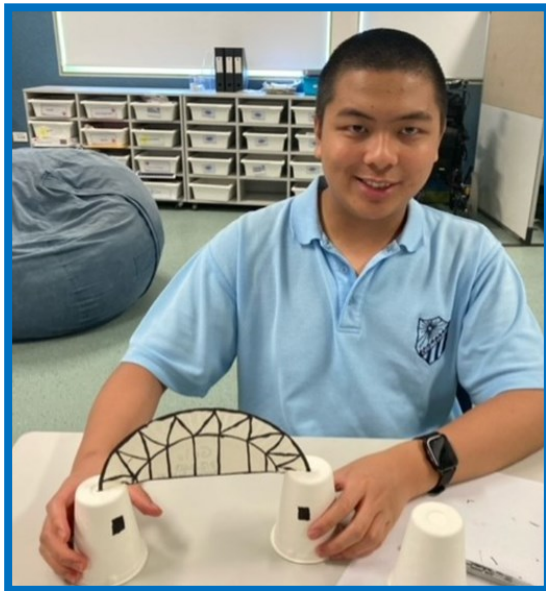

We thank our class families for all their support and input with our ITP meetings which have included Liz Webb, our transition support teacher.

We are looking forward to the rest of the year together.

Sarah, Bridget, Jess, Kim, Daniel, Gelo, James, Jessica, Kai, Emily, Sean and Stephanie.

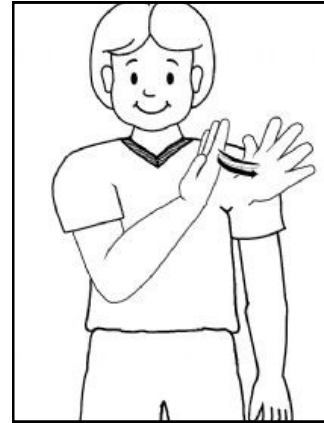

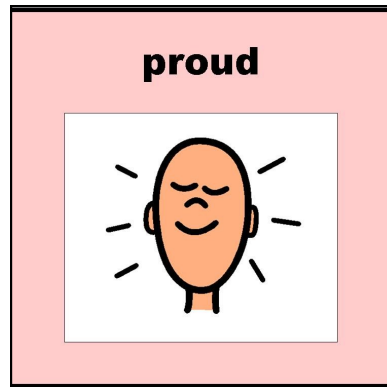

Blue Class (continued)

General News

proud

Start with your hand flat with your little finger resting on your opposite shoulder and palm facing face. Brush hand across shoulder and turn hand around, so that palm faces away from body and fingers are spread slightly. Repeat once or twice.

Live Life Well @ School

Don't skip breakfast!

- Breakfast improves energy levels and ability to concentrate at school. Students often do better academically and make healthier food choices when they eat breakfast.
- Search 'Breakfast' at www.betterhealth.vic.gov.au for tips on addressing barriers to eating breakfast and some easy breakfast ideas.

CROMEhurst SCHOOL

Term 1 Week 3

6 - 10 Feb 2023

Dear Parents,

NSW School Vaccination Program 2023

From 2023 you can now provide consent online for your child's routine school vaccinations.

The following vaccines are offered free to students at school:

- in Year 7 - diphtheria-tetanus-pertussis (dTpa) and human papillomavirus (HPV);
- in Year 10 - meningococcal ACWY vaccine.

Vaccinations for Cromehurst School Year 7 and Year 10 students will take place on the following dates:

- Year 7 – Tuesday 21 March 2023 – HPV Dose 1 and dTpa;
- Year 7 – Wednesday 8 November 2023 – HPV Dose 2*;
- Year 10 – Tuesday 9 May 2023 - meningococcal ACWY vaccine.

Vaccination will only be provided at school if consent has been received. To provide consent for vaccination online go to <https://nswhealth.service-now.com/school>, you will need:

- your ServiceNSW log-in details, or to [create an account with ServiceNSW](#) if you don't already have one;
- Medicare details for parents/carers and your child.

The benefits of the new online consent for parents/carers are:

- SMS notifications when vaccinations are given;
- easy updating of your child's details online;
- faster upload of your child's vaccination records to the Australian Immunisation Register (AIR).

If you or your child do not have a Medicare card, consent can still be provided by requesting a paper-based consent form directly from our school.

To help answer questions you may have regarding providing vaccination and online consent, please visit the NSW Health website at <https://www.health.nsw.gov.au/immunisation/Pages/schoolvaccination.aspx>.

Yours sincerely

C. Moulds

Christine Moulds

Principal

**NSW Health is waiting on the outcome of a review by the Pharmaceutical Benefits Advisory Committee (PBAC) on Human Papillomavirus (HPV) vaccination schedule. International evidence indicates that one dose of HPV vaccine provides equivalent protection to two-dose. If a one dose-schedule is endorsed NSW Health will contact all parents of students who have been consented for two doses of the vaccine and also parents of students who have received one dose of HPV vaccine (to advise that they are up to date and do not require any further doses).*
